

WARM WINTER ROLLS

INGREDIENTS: 6 rolls 4 eggs, hard boiled

- 6 cheese slices
- 6 slices of ham or bacon
- seasoning

INSTRUCTIONS:

This delightful snack is ideal to warm up the cold winter nights. Cut the rolls in half and arrange them on an ovenproof dish. On each roll place a slice of ham or bacon, arrange slices of hard boiled egg, top with a slice of cheese and sprinkle with seasoning. Bake in a hot oven at 250°C for 5 to 7 minutes, until cheese is hot and bubbly. Serve immediately and chase away the winter cold.

1. How many people does this snack serve? (1)

2. How many eggs would you need to serve nine people? (1)

3. In the ingredients they mention seasoning. What do they mean by seasoning? (2)

4. What causes the cheese to bubble? (1)

5. What do you think "... chase away the winter cold" means? (1)

6. Write out the instructions into steps, so it is easier to follow. Write each step on a new line. (2)

7. What is one instruction that has NOT been mentioned to do? (1)

8. Mention another ingredient which you would add to a WARM WINTER ROLL. (1)
