

Week 6 Guidelines for Parents

Dear Parents

We hope the girls enjoyed the short mid - term break.

We have added a new folder called English stories. Please encourage your daughter to read these stories. There will be new ones each week.

The Life skills booklet is for week 6 and 7, so please follow the guidelines for pages per week.

A friendly reminder to please store printed booklets in your daughters bookbag and to email computer booklets to your class teacher. Please also save them in a folder on your computer.

For Library, Music, Art, Music and Phys Ed and Xhosa please email any work to the relevant teacher or store it in your daughters bookbag.

Here are the email addresses:

Library: rbentley@collegiate.co.za
