

Collegiate Junior School

FOR GIRLS

Grade 7 Maths from Dr S.G. Whale

Monday, 11 May 2020

Kindly remember to set your work out correctly and date your work.

VIDEO LESSON

Watch carefully how to divide a decimal by 10, 100, 1 000

TO DO:

- ✓ **Mental Maths**

Draw columns in your book as I did on the video and show how you moved the digits to the right this time as you are dividing. Do all 15 sums one underneath the other. (iPad page 301~ textbook p 118).

MEMO FOR TODAY:

Memo for today's work
