

Smell

Smell each jar. Write or draw what you think is inside each one.

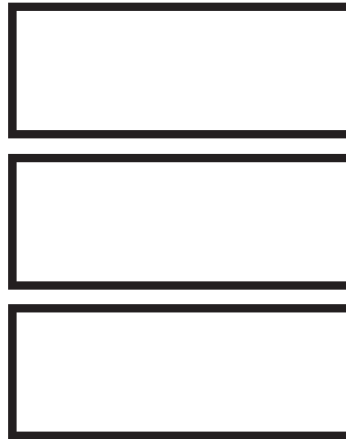

Your sense of smell warns you of danger. It tells you if there is a fire or if you are eating rotten food that will make you ill.

Draw or write about when your nose knows best.

Taste

Look at your friend's tongue. Draw what you see in the space below.
Write 3 words to describe it.

The basic tastes of food are:

_____ , _____ , _____ ,
_____ and _____ .

Taste the different foods your teacher gives you.

Decide which taste it has.

Write the name of the food and the taste in the pots below.
