

MARKING MEMO

Home Learning Booklet

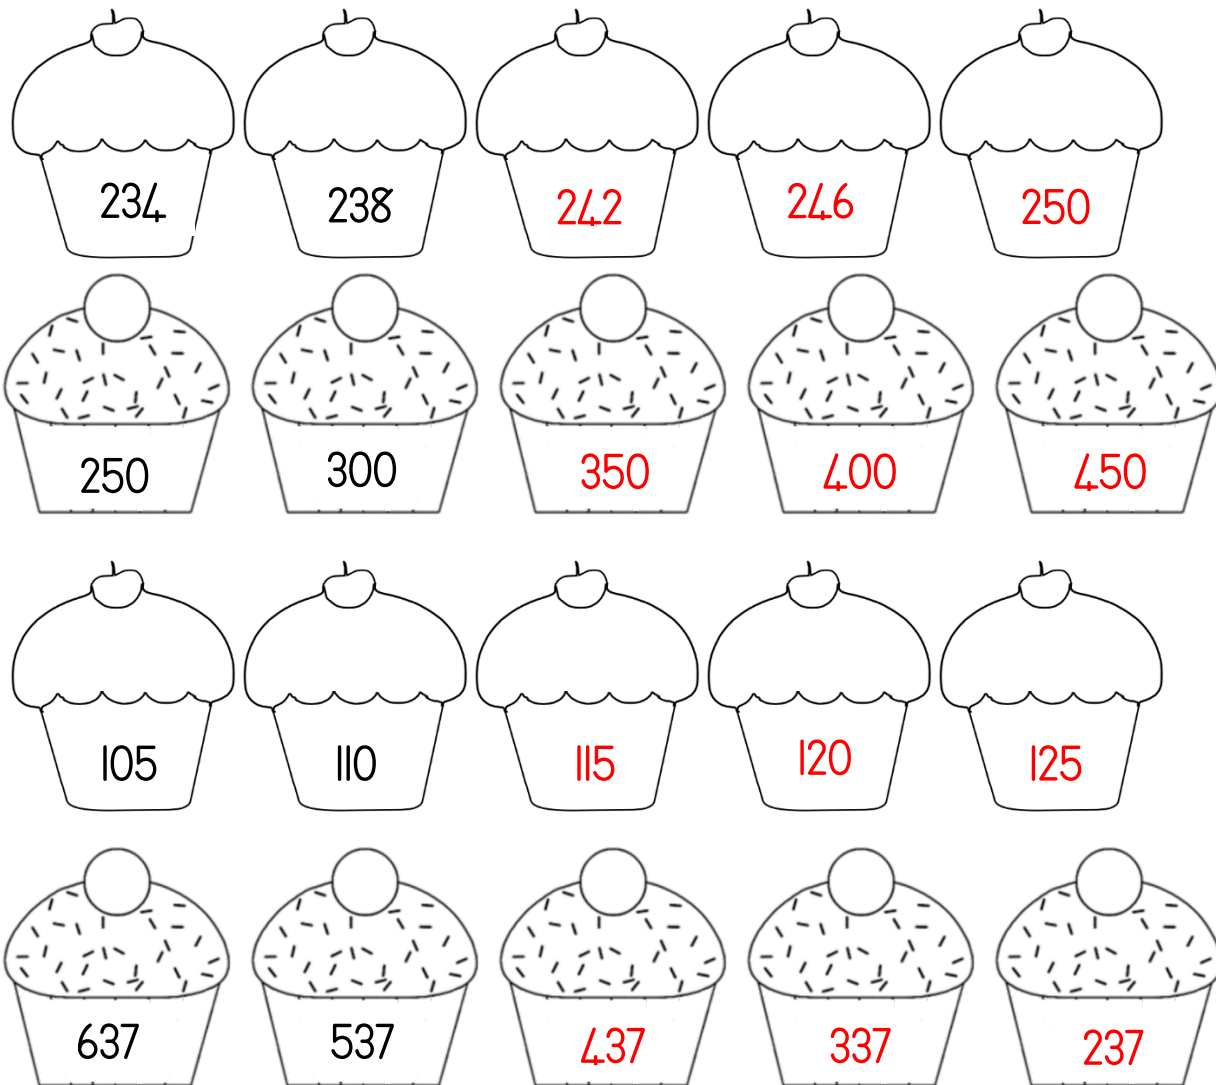

Week 8

Maths

Let's chill and
revise!!!!

Counting Fill in the missing numbers

Complete these patterns by writing the next 5 numbers

122, 124, 126, 128, 130, 132, 134, 136

293, 290, 287, 284, 281, 278, 275, 272

356, 352, 348, 344, 340, 336, 332, 328

55, 65, 75, 85, 95, 105, 115, 125

Number names

Write the correct number names

435 four hundred and thirty-five

238 two hundred and thirty-eight

149 one hundred and forty-nine

345 three hundred and forty-five

Number symbols

Write the correct number symbol

four hundred and fifty - six

456

two hundred and ninety – eight

298

one hundred and seventy – three

173

Rewrite from smallest to biggest

463	243	176	221	198	257
176	198	221	243	257	463

Decompose into HTU

$165 = 100 + 60 + 5$

$370 = 300 + 70$

$269 = 200 + 60 + 9$

$148 = 100 + 40 + 8$

Compose into a number

$4 \text{ tens, } 3 \text{ units and } 5 \text{ hundreds} = 543$

$7 \text{ units, } 2 \text{ hundreds and } 7 \text{ tens} = 277$

$1 \text{ hundred, } 5 \text{ units and } 9 \text{ tens} = 195$

Place Value

What is the value of the underlined number?

$4\underline{5}5 - 50$

$1\underline{6}7 - 7$

$\underline{2}38 - 200$

Slide on over to
the next page!

Calculations

Show ALL your working out.

$36 \div 2 =$ 2,4,6,8,10,12,14,16,18,20,22,24,26,28, 30,32 1,2,3,4,5,6,7,8,9,10,11,12,13,14,15,16,17,18 $36 \div 2 = 18$	$45 \div 5 =$ 5,10,15,20,25,30,35,40,45 1,2,3,4,5,6,7,8,9 $45 \div 5 = 9$
$26 \times 4 =$ $20 \times 4 = 80$ $6 \times 4 = 24$ $80 + 24 = 104$	$32 \times 3 =$ $30 \times 3 = 90$ $2 \times 3 = 6$ $90 + 6 = 96$
$295 + 133 =$ $295 + 100 = 395$ $395 + 30 = 425$ $425 + 3 = 428$	$345 - 221 =$ $345 - 200 = 145$ $145 - 20 = 125$ $125 - 1 = 124$

Round off to the nearest ten

Use the number block to help you.

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40

27 → 30

39 → 40

18 → 20

16 → 20

22 → 20

34 → 30

Mass

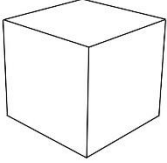

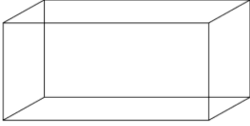

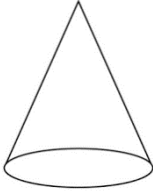

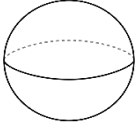

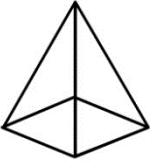

Write the **mass** of these items in order from lightest to heaviest

50g , 100g , 225g , 450g , 750g , 800g

Shapes

Name these shapes

Shape	Name
	cube
	rectangular prism or cuboid
	cylinder
	cone
	sphere
	pyramid

Money

These are our South African coins and notes. Look at them carefully and answer the questions below.

1. How many 50c coins make up R1.00?
2. How many 20c coins make up R1.00?
3. How many R1.00 coins equal R5.00?
4. How many R5 coins equal R20.00?
5. How many R20.00 notes equal R100.00?

Word problems

Remember the steps

1. Write an open number sentence
2. Show all your working out
3. Write a sentence with your answer in it

1. It is Sports day. The grade 1's run 155 meters. The Grade 2's run 275 meters. How much further do the Grade 2's run than the Grade 1's?

(Clue: your answer must have a meter symbol, which is m.)

$$275\text{m} - 155\text{m} = \square$$

$$275\text{m} - 100\text{m} = 175\text{m}$$

$$175\text{m} - 50\text{m} = 125\text{m}$$

$$125\text{m} - 5\text{m} = 120\text{m}$$

The Grade 2's run 120m further than the Grade 1's.

2. There are 5 team members in the relay team. If each member runs 55m, how far did the whole team run?

$$55\text{m} \times 5 = \square$$

$$50\text{m} \times 5 = 250\text{m}$$

$$5\text{m} \times 5 = 25\text{m}$$

$$250\text{m} + 25\text{m} = 275\text{m}$$

The whole team ran 275m.

3. Mrs Reen wants to give each runner a sticker. There are 276 girls and she has 289 stickers. How many stickers will she have left?

$$289 - 276 = \square$$

$$289 - 200 = 89$$

$$89 - 70 = 19$$

$$19 - 6 = 13$$

Mrs Reen will have 13 stickers left.

4. The Grade 3's want to make Mother's Day cards to sell. They need 499 cards to sell. They have only made 389 cards. How many more do they still need to make?

$$499 - 389 = \square$$

$$499 - 300 = 199$$

$$199 - 80 = 119$$

$$119 - 9 = 110$$

They still need to make 110 more cards.

5. At the sale, there are 274 decorated biscuits and 115 undecorated biscuits. How many biscuits are there altogether?

$$274 + 115 = \square$$

$$274 + 100 = 374$$

$$374 + 10 = 384$$

$$384 + 5 = 389$$

There are 389 biscuits altogether.
