

Day 4 – 9 July

Lesson: Commutative and Associative Property of Addition and Multiplication

1. **Listen** to a FREE GRADE 5 ONLINE **VIDEOS** on the link <https://www.worksheetcloud.com/live/grade-5-online-classroom/>.
2. Go to **17 April** and click on Mathematics. Listen to the lesson on the **Commutative and Associative Property of Addition and Multiplication**. Have a pencil and paper ready because the tutor asks the students to work out sums during the lesson.
3. Complete the Work Sheet Cloud Commutative and Associative Property of Addition and Multiplication Worksheet once the video has been watched. I have downloaded this worksheet for you.
4. These are important concepts for the girls to understand.
5. If the girls have not understood these concepts today, Mr T does revise the concepts again tomorrow. He will also go over the memos with the girls during the lesson tomorrow.
