

Grade 4
Mathematics
Term 2
Week 13

This week consists of 5 lessons.

Some helpful faces to guide you on your way:

You will notice emoji faces along the way. These pictures will guide you with what you need to do at different stages of the lesson

Plan for the week:

- On Monday and Tuesday we are going to work on problem solving / story sums.
- On Wednesday and Thursday we are going to revise some work that you did in your previous grades on Fractions
- Friday is your Mental Maths fun day! Enjoy solving the mystery codes 😊
- **WHAT MUST YOU SUBMIT THIS WEEK:** Nothing, unless you are finding this really difficult and need to schedule a Google Meet for me to help you, you only need to fill the weekly submission form in 😊
