- **Grade 1 – 7 footwear**
- **Sport shoes** to be worn with the school tracksuit for Phys Ed must be predominantly white with white shoelaces.
- **Specialised sport shoes** for a specific sport (Grade 3 – 7)
Our preference would be for these to be predominantly white, with white laces. If medical or sport code needs dictate otherwise, please keep the colour as neutral as possible. Avoid fashion trends and neon colours.
- **Hockey boots (Grade 3 – 7)** – no neons, please stick to neutral colours namely black, blue, grey or teal. The same applies to the laces.

Our aim is to keep things as simple as possible to ensure that the uniform is not compromised.
